

EAHS QUARTER 1 NEWSLETTER

FALL 2018

Dear Students & Parents,

As we close the first 9 weeks of the 2018-2019 school year, students and teachers alike are giving us encouraging, positive feedback. You should have received one interim report for this nine-week period. Hopefully, you have activated your Powerschool account to track your student's progress online. If you are encountering problems setting up this account, please contact Student Services at 391-6118. For access to all instructional materials and daily class assignments, email your student's teacher to be added to their Google classroom. We will continue to be diligent in our efforts to communicate with students and parents regarding student academic progress. We will also communicate information about special Spartan activities that are coming soon. Please download the EA app, "like" us on Facebook and follow us on Twitter for more information and daily updates.

We are thrilled to be able to continue to offer more AP and DE classes for the 2019-2020 school year, which include: Music Theory, Psychology, Art History, European History, AP Seminar and AP Research and Introduction to Engineering. Career and Technical education continues to implement newly recognized and relevant credentials that make our students career and college ready. Hands on experiences through field trips and industry visits encourage career exploration and continue to help students develop the needed soft skills and work place readiness. The scheduling process will begin in the next few weeks for some students, depending upon their present classes. Counselors will send more specific information home with your student regarding this process.

It's been a great start to school. Thanks for your continued support, and we look forward to what your student will accomplish this year! As always, Go Spartans!

PBIS UPDATES

We are making a concerted effort to remind students about our Spartan Standards. Students are rewarded for behavior and academic progress with Spartan Drachma. Soon, the Spartan Store will open with lots of Spartan items – Get ready! Also, students will receive PBIS rewards for attendance and behavior throughout the year and will compete for Class Wars end of the year party, Partypalooza!

We are thrilled to announce that overall behavior incidents are less this year in comparison to last year. We have asked teachers to be on "active" duty in the breakfast/lunch area and be visible in the halls between classes, helping create that safe and warm environment we strive for to encourage learning! We are asking students to focus on the Spartan Standard, "Choose your Attitude." Please help us continue make improvements throughout our campus by completing the following survey:

<https://tinurl.com/EAPBIS>

SPARTAN STANDARDS:
BE THERE
CHOOSE YOUR ATTITUDE
WORK HARD
HAVE FUN
