

November 7, 2017

Dear Cardinal Family,

Today the Louisiana Department of Education released school Performance Scores (SPS) for the 2016-2017 school year. Prairieville Primary achieved an overall score of 115.1, earning an "A" rating. The following graphic reflects our changes over the last year:

Prairieville Primary School

2016-17 School Performance Score	2015-16 School Performance Score
A 115.1	A 114.4

We are very proud that we grew .7 points, despite the adversity many in our community faced with the 2016 flood. For more information about the state's scoring system, please visit www.louisianabelieves.com or www.louisianaschools.com.

Congratulations to our students, teachers and staff for pursuing excellence every day!!

Sincerely,

Carol Smith, Principal
